1. This is my time/moment; my time, my moment, my me coming forth; unprepared not, prepared, a-scribed, and ready to pour forth my words; not only, but/for me coming forth, my values, love; and not only, yet is there more? There is more/much more and healing my name is/now, I healing bring many. Tutors many I bring, to learn not; heal, see me, justly not; expressly, positively me/mine hearing me, **airwaves mine**.

2. See what I have/am declared/declaring. I love you. **The air/airwaves is/are mine.** I love you. **Positively mine, only mine are.** I love you.

3. This is the time and who can see son of man suited in me? My looks, my love, simplicity. One that delves into past lives not, but being one realizing all are, not; but me is, being me, all are. I love you. **See my statement correction three** from mythical standards not but myths perpetuated religiously. My statement of confusion not but demising it I come in clarity personified in my who love me. Night and day I come/flow. Watch me. I love the me that are me. I love you all.

4. This is the time, moment, and cataclysmic righteousness, not; **holiness bringing righteousness.** I love you.

5. See my progressive behavior not but progression New Covenant takes one through, one becoming one to one others not; become father first and do/say his will/desires.

6. Word volumes come. Demising never my spokenness that flows/pours forth voluminously now. And where is the spout? On me, my body all, languaging my all into many never seen or heard. I love you.

7. This is the day/London I knew not but now do/will. I love you all/London. I love you now, before, and after; and is there any change/significance to now? Plenty, unendingly. My lover roams the streets not, looking for fights not but knowing, seeing, and being my outstretched arm, not; being me undiluted, full strength; and recommended not by others to others for mammon but only me upon/in me, of me to me, me coming forth unabated, unrestricted, telling/letting all know they can, as well. I love you.

8. This now, is ready. Complete not, complete. Ready, aim, fire; not. This is the precision/moment of all reckoning, not, but for many is, now. I love you.

9. This is the time, moment, and who the son of man is now becomes clear, evident, and whoso constrains others not but freely admits all to surrenderville/surrenderland. And that being what where is? All around, inside, about. And delving into not but allowing all to enter me freely, unrestrictedly. Watch me my lover love my body. Doorwise, not; being it/me. We are one, one are now. And watch me/us. I love you. Amen.

10. Stay till I say go/now. I love you. I give you me/words aplenty.

11. Report card, not; but gloominess increases, home front not, but internationally does. Seeking me not they are, but woes increase exponentially for many, caused by few not. Over time significant. I love you/them. I love you all.

12. Keep writing still and be aghast at nothing/no one, no fact/circumstance thought/apparent. Let me be me. Me being me surrendered to father, we are one.

I love you all.
Amen.
